O NAMA

Osnovna djelatnost našeg preduzeća je proizvodnja i prodaja tekstilnih proizvoda. Pored usluga šivanja, u ponudi imamo i sve vrste štampe:

- Sito
- DTG- digitalna štampa
- Flex
- Tehnika veza

Proizvodnju artikala podijelili smo u tri segmenta:

- Basic,
- Sport i
- Medical

da bismo zadovoljili različite potrebe i želje klijenata.

Poslovanje gradimo kvalitetom, odgovornim i ekspeditivnim odnosom prema poslu te konstantnim ulaganjem, kako u proizvodnju, tako i u edukaciju naših zaposlenika.

Naš krajnji cilj je napraviti savršen proizvod koji odgovara obliku, ličnosti, i stilu kupca.

ABOUT US

Nano Design is one of the largest suppliers of promotional products in the Bosnia and Herzegovina. Apart from sewing services, we also offer all types of printing:

- Screen printing
- DTG digital printing
- Flex
- Embroidery technique

We divided the production into three segments:

- Basic,
- Sport and
- Medical

in order to meet our client wishes and needs.

With our design we transform the most beautiful fabrics into fashion. With color and shape we bring the material to life.

We make washable fashion that stays beautiful for a long time. We are passionate professionals; constantly looking for opportunities to see the result of our work improve.

We combine years of experience in digital printing with in-depth knowledge about fabrics and how to treat them.
